Subject: Reference for Philip Langridge

This is to confirm that Philip has been working as an EFL teacher for our organisation teaching English to German students between the ages of 11 and 18 years since Easter 2016.

While teaching for our organisation, Philip has successfully taught not only classes consisting of students of heterogeneous levels of knowledge of the English language, but also of different age groups. He is able to adapt to these circumstances and, at the same time, has motivated the students at all times during his lessons. Furthermore, Philip has proved that he is able to reach out to every student in his class which gives us great feedback regarding his lessons.

At the end of each course, he is able to review the progress of each student of his classes and provide useful feedback.

Philip is always punctual and approaches the students and fellow teaching staff in a friendly and open manner. He plans his lessons extremely well and gains the students respect and trust very quickly. He has also proved to be able to work with his fellow teachers.

Philip is a trustworthy and much appreciated member of staff.
